

CRYOVAC®

Brand Spout Pouches

A smarter, flexible, sustainable alternative to rigid bottles. Built for performance, convenience, and shelf appeal.

CRYOVAC®
BRAND

NEW

MADE TO **PROTECT**
READY TO **RECYCLE**

Liquid Packaging Redefined

OVERVIEW

CRYOVAC® Brand Spout Pouches deliver a lightweight, durable and visually striking packaging format for liquid, semi-liquid, and powder products. With a wide range of customisable shapes, spouts, and print finishes, they're the go-to solution for brands seeking convenience, portability, and strong on-shelf presence.

TYPICAL APPLICATIONS

Baby food | Sauces | Nutritional Drinks | Dairy | Smoothies | Liquid soaps | Powders | Home and Garden Care

BENEFITS

Strong visual impact and premium shelf appeal

Lightweight and space-saving compared to rigid bottles or tubs

Wide spout and cap options for safe, user-friendly dispensing

High-barrier materials protect product integrity against oxygen, moisture, and light

Suitable for hot-fill, cold-fill, retort, and pasteurisation

Available from 100ml to 15L, in standard or custom shapes

Optional handles, windows, and ergonomic designs available

MATERIALS

Multi-layer laminates with a range of different barriers

Excellent barriers to oxygen, moisture, UV and aroma

Mono-material structures: PP and PE

Food-grade materials and spouts manufactured in BRC-accredited facilities

PRINT & FINISHING

Digital Print: From as little as 500 pcs MOQ. Ideal for rapid turnaround, product launches, and short-run campaigns.

Finishes: Gloss, Matt, Metalized, Registered Matt Varnish, Paper Touch, Soft touch, UV Inks and Registered Soft touch.

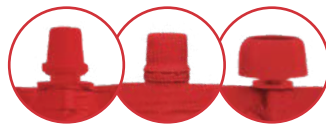

Gravure Print: Up to 10 colours from 5,000 pieces. Cost-effective for long runs with vibrant, detailed graphics.
